

STAMPOTECNICA Srl

Via Martiri di Cervarolo 5 – 42015 Correggio (RE)

With reference to the EC Regulation

1907/2006/CE

Regarding the registration, evaluation, authorization and restrictions of chemicals (REACH)

Hereby declares that:

- The company only converts substances contained in finished or unfinished products, purchased from suppliers.
- The few added substances, which could hypothetically fall within those to be registered, are processed in quantities well below 1 tonne per year and anyhow in concentration below 0,1% of the weight of the item. Therefore, these substances are exempt from obligation of pre-registration.
- We are carrying out a survey with our suppliers, in order to verify their position with respect to REACH Regulation. This survey will enable us to ascertain their implementation status with respect to the Regulation.
- What written hereby is valid for the substances listed on the ECHA website as of today.
